 Story

On a bright, sunny day, a happy Rainbow sparkled across the sky. It stretched its colors—red, blue, yellow, and more—over a fluffy white cloud. “Time for my morning routine!” Rainbow giggled.

“Brush, brush, brush my colors!”  
sang Rainbow,  
Scrubbing its stripes with a giant  
toothbrush.

## 📖 Story:

Rainbow bounced on its cloud bed, fluffing it up. "Nice and comfy!" it said. The sky was blue, and birds chirped nearby. Everything was perfect!

" Boing! Boing!

My bed is the bounciest!"  
Rainbow laughed.

□ Story:

Suddenly, a big, grumpy Dark Cloud puffed onto the horizon. It growled and rumbled, making the sky look spooky. Rainbow's colors shivered. "Oh no! A mean cloud!"

" Grrr, I'm here to cover the sky!"

growled Dark Cloud.

" Eek! Not today!" squeaked Rainbow.

 Story:

Rainbow grabbed its shiny jetpack and zoomed away! "I'll fly super-duper fast!" it said. Zip! Zap! Rainbow whizzed through the sky, leaving a trail of glittery sparkles.

" Wheeee! Faster than a comet!"

shouted Rainbow.

□ Story:

Rainbow flew and flew, but—uh—oh!—the Earth is round! After zooming all the way around, Rainbow saw Dark Cloud again! "You're back?!" Rainbow squealed.

" Ha! You can't escape me!" grumbled Dark Cloud.  
" Oh, pickles! I forgot the Earth is a big ball!" said Rainbow.

□ Story:

Rainbow had a silly idea. It tossed off the jetpack and grabbed a giant wind blower. "Take this, Dark Cloud!" Rainbow blew and blew, puffing air with all its might.

" Puff! Puff!  
Go away,  
grumpy cloud!"  
shouted Rainbow.

 Story:

The Dark Cloud got smaller and smaller, shrinking like a grumpy balloon. "Poof!" It disappeared! Rainbow cheered, "Hooray! The sky is mine again!"

" Bye-bye,  
grumpy pants!"  
giggled Rainbow.

Story:

Rainbow felt calm and happy. It played all day, sliding down its own colors like a slide and splashing sparkles everywhere. The sky was sunny and silly again!

" ♪ Whee!  
I'm the silliest Rainbow  
ever!"  
sang Rainbow.

Story:

And so, Rainbow kept  
shining, making the sky  
the happiest place ever.  
The end!

" See you  
tomorrow, sunny sky!"  
winked Rainbow.
